# WHAT'S IN

# STYLE

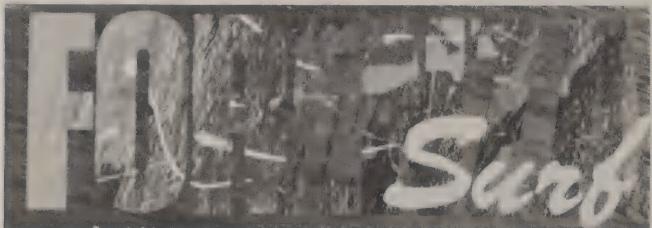

Shopping, we all love to do it. Whether you're by yourself or with a group of friends, it is a great way to spend a day. What do you look for when you go shopping? Creativity, colors, individuality, style, bargains? Well lets face it, we all have our budgets. What if you didn't? How would you dress if you had a million dollars? Like a millionaire of course!

What is your favorite look? Sophisticated or casual, innocent or tough? How about a little variety, something of everything? Some of the brands that express our moods today are Forenza, Outback Red, Gotcha, Bongo, Esprit, Jams, and who could ever forget the classic Levi's.

One of the most popular looks this year is Denim. You see it everywhere you look in jackets, dresses, over-alls, and skirts. Mixed in is faded-blue shorts and oversized shirts with a little lace here and there. Don't forget the hottest new fabric this year, the iridescent golds and silvers, showing up everywhere from casual clothes to formal dresses.

Maybe you're the typical Southern Californian in your multi-colored shorts that go to your knees, and a T-shirt with a big "Locals Only" printed in glowing neon-style writing. You say that isn't the real you either? Do you go for spotted bleached jeans, a big black jacket, some thick boots with a few buckles on them and a wild haircut too?

Well whatever your style is, you know it is your expression of yourself. Everyone has their own way of dressing and the wide varieties that show up on our campus are proof. Keep up the beautiful spirit of individualism!

Music has always been a growing part of our lives. We are all drawn and influenced by music at one time or another. For some of us, music is an inspiration to keep us moving right along in life. With variations from Pop, Soul, Rock, Heavy Metal to New Wave, it is easy to satisfy everyone's taste in music. A few examples are Run DMC, Janet Jackson, Motley Crue, and A-ha.

# Bananarama

This year was a fantastic year for revivals. Billy Idol came out with a new album, *Whiplash Smile*. The Cure are becoming more and more popular after their release of "Boys Don't Cry," and now the Monkees are back, and as crazy as ever! Even though Madonna and Sean are constantly in the limelight, she still had the time to record her newest, "True Blue," and for the first time in seven years, Boston created another album.

# That's Entertainment!

With VCR's becoming more common, it is easier to rent movies and stay home with friends and a pizza, than to wait in long lines and pay 5 bucks a head. But you're being cheated! If you have ever seen the *Rocky Horror Picture Show*, you know that the surroundings of a theater are half the fun. How can you enjoy a movie if the phone is ringing or the dog wants to be let in and out?

You just can't replace the atmosphere of a theater. There are no other sensations that come close to the smell of hot buttery popcorn, the sticky litter-strewn floors, the sound of Dolby Stereo blasting in your ears, and of course the feel of your date's sweaty palm against yours.

You will never forget laughing hysterically at Eddie Murphy or crying over touching moments in movies such as *Stand By Me* and *Children of a Lesser God*. Going to the movies has always been an American pastime and it always will be.

Sexy Tom Cruise is back and flying high in one of the nation's hottest movies, *Top Gun*. Filmed at our Mira Mar Naval Air Station.

The adventure of the Australian spirit became even more popular with the release of *Crocodile Dundee* Starring Paul Hogan, the "down under" man.

Whoopie Goldberg, one of the liveliest new comedians, stars in *Jumpin' Jack Flash*.

*Aliens*, the fast-moving, action-packed sequel to *Alien*, turned out to be the summer's hottest hit.

Top: David Bowie portrays the Goblin King in *Labyrinth*. Bottom: *Back To School* is Rodney Dangerfield's latest movie. Special appearance by Oingo Boingo.

Wouldn't we all love to ditch school like Matthew Broderick did in *Ferris Bueller's Day Off*.

Betty White and Rue McClanahan of "Golden Girls."

The hottest new couple on T.V. are the witty and fast-talking Bruce Willis and Cybil Shepard from "Moonlighting."

Lisa Bonner as Denise on the popular "Cosby Show,"  
sets a trend for teenagers.

Michael J. Fox as Alex Keaton on "Family Ties."

Movie star, Pee-wee Herman has moved to Sunday morning cartoons with his new show, "Pee-wee's Playhouse."

Emmanuel Lewis with his T.V. parents from "Webster."

Television: an American tradition. It's almost impossible these days to find a house with less than two TVs. A recent national survey indicated that students between grades one and twelve spend twice as much time in front of the television than in school. When asked what CHS students watch, some of the most popular answers were Miami Vice, The Cosby Show, Moonlighting, Family Ties, Dynasty, Growing Pains, and of course daytime dramas such as The Young and the Restless and Days of Our Lives. Just think where our society would be now if Mr. Jenkins hadn't invented our most prized possession: the television set!

# HANG-OUTS AND HOT SPOTS

The Clairemont Theatre, holds ever lasting memories of popcorn fights and thrilling (cheap) movies for most of us.

Kare Sessions is not only a popular gathering spot, but it also provides a romantic view of the San Diego Bay.

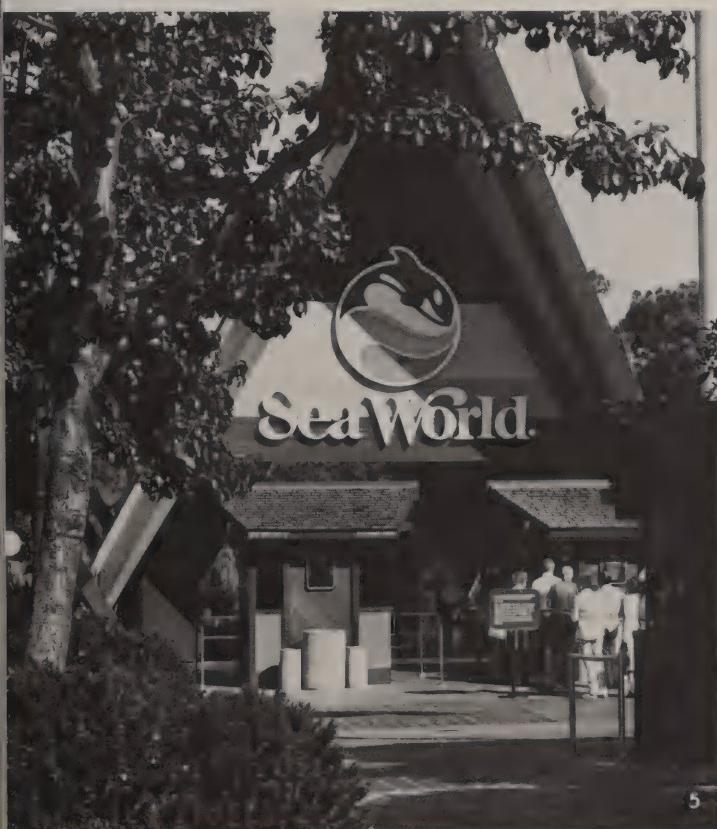

As a part of the downtown renovation program, Horton Plaza has attracted many avid sight-seers as well as shoppers.

Built in 1925, the Belmont Roller Coaster in Mission Beach operated for 50 years until it was shut down. Even though there were those who wanted it destroyed, thanks to loyal citizens, it still stands.

For over 20 years, the Clairemont Bowling Alley has been a favorite hangout for CHS students.

One of Clairemont's favorite lunch time hangouts is the Italian Pizza and Deli place.

1. Beaches are like magnets, you can't escape their attractive power. Some of the beaches CHS students go to are Mission, PB, Shores, Windansea, La Jolla Shores, and everyone's all-time favorite, Black's Beach.
2. San Diego is proud of its heritage and has shown this through the preservation of Old Town.
3. Nothing can replace the magic of a merry-go-round. Seaport Village is the setting for this antique collection of mystical horses.
4. You want tourists? Go to the Wild Animal Park, one of America's only zoos where the lions, tigers, and bears run free.

A special thanks to Sea World for doing so much for CHS!

# EXTRA, EXTRA, READ ALL ABOUT IT!

It was a year of triumph and challenges. From U.S. to Perth, Australia, America has faced many difficulties. The United States has earned the heart-felt triumph and accomplishment of the Voyager, the peace walk, and Hands Across America. On the other hand, U.S. grimly confronted issues concerning the White House and AIDS crisis.

## "IRAN CRISIS"

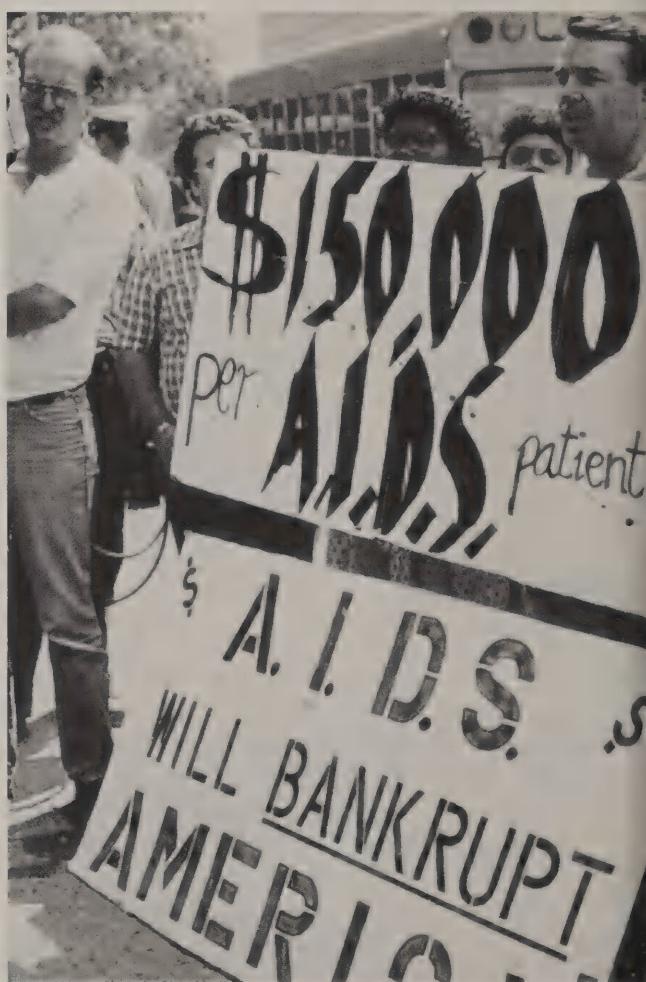

Once again the President figured prominently in the headlines. Reagan claims he was not fully informed about his own secret arms dealing with Iran in exchange for the American hostages. The Iran-Contra scandal severely damaged the administration's credibility. Oliver North, one of the key figures in the scandal, slowed the investigation by refusing to speak before the Senate Committee. Taking the 5th (amendment), was the trendy thing to do this year.

## "AIDS CRISIS"

The AIDS (Acquired Immune Deficiency Syndrome) crisis has brought attention to the public eye and the medical community. In San Diego alone there were two hundred and eighty reported cases of AIDS. Among those reported cases, sixty four of them have died. These statics are up from only two reported AIDS cases in 1981. The rapid spread of this disease has caused scientists to work diligently to try to find a successful cure for this fatal disease. Concern over the issue has prompted San Diego City Schools to have an AIDS information lecture to be taught in English classes soon.

## "VOYAGER"

America recovered from the Challenger disaster last year by triumphing in the air with the Voyager. The Voyager was the first plane that traveled around the world in nine days without refueling. The insect-like plane was designed by Burt Rutan, who is president of his own firm, Rutan Aircraft Factory. The plane was flown by Dick Rutan, 48, and Jeana Yeager, 34.

#### "HANDS ACROSS AMERICA"

On Memorial Day Weekend of 1986, an event that involved 5.4 million people occurred, it was Hands Across America. Across the country, covering 4125 miles, for a period of fifteen minutes, people everywhere hand in hand, sang and celebrated together. The idea was to raise money to fight hunger and homelessness. Each participant was asked to donate ten dollars for this worthy cause. Among the millions were celebrities from Hollywood who joined hands for this memorable event.

#### "LADY LIBERTY"

July Fourth was celebrated with a bigger bang than usual, because this year was Lady Liberty's 100th Anniversary. To commemorate this spectacular occasion, there were musical events, boat parades, and great fireworks. Millions came out along the New York Harbor to honor this majestic lady, who represented liberty, justice, and freedom for all.

#### "CARY GRANT 1904-1986"

Cary Grant, the debonair and elegant man on the screen of Hollywood, died of a stroke at the age of 82. From generation to generation, he was considered a

screen legend, who starred in 72 movies. Some of his well known movies are Hitchcock's "To Catch A Thief," "Notorious," and "North by North". Even today his classic movies from the 50's and 60's are just as popular.

#### "AMERICA'S CUP"

The history of America's Cup dates back 136 years. Each year the U.S. has won this title, except in 1983. Dennis Conner's "Stars and Stripes" sponsored by the San Diego Yacht Club, regained the America's Cup which was lost to Australia.

#### "PEACE WALK"

California! Nevada! Arizona! Utah! Colorado! Nebraska! Arm in arm, in a clash of colors, age, and nationality, they walked in protest. The great peace march, a cross-country trek for nuclear disarmament, was the most dramatic protest of the year. Beginning in Los Angeles, they accomplished a 3700 mile walk to the capital, where cheers, rallies, and speeches, awaited them.

# SPECIAL DAZE AT CHS

This year's Associated Student Body exhibited the same kind of chieftain spirit that has been a tradition of the organization since the school opened. Under the guidance of Advisor Ms. Moore, President Alicia Hernandez, and Vice-President Denyce Hobgood, the A.S.B. kept the master schedule of pep rallies, dances, spirit weeks, lunch time activities, and other school events. This year the A.S.B. room had to move due to the new attendance computers. Ms. Moore, Claudia, Alicia, Jeff, Aaron, Jeanne, and Denyce spent their last days of the year 1986 moving things from room 202 1/2 to the old attendance room, painting and putting together the new A.S.B. home, while all other members were vacationing. Through the leadership and dedication the A.S.B. showed what an excellent group they are and one that we can be proud of.

# The Arrow

Room 104 is the home of Clairemont High School's monthly newspaper, "The Arrow." Pam Ramsey, advisor, oversees the work of the Arrow staff, with Renee Lasky as editor. Students learn by doing as they write articles, take pictures, and design layouts for each issue. The class also gets the inside scoop from professionals, with guest speakers and field trips to places like "The San Diego Union/Tribune" headquarters.

# Preserving the Years

This year's Calumet staff started off the year with lots of new and exciting ideas to make this annual different and memorable. The staff was guided by the new advisor Norman Moon, who took the place of Larea Moore who retired last year. Although this was his first year as an advisor, he quickly learned the secrets of the job. This year is the first year in the history of Calumet in which the senior class pictures are in color. Each group worked very hard to make their section the best, and each section tried to put in something new. Together the staff shared the frustrations and the panics as deadlines approached. If it wasn't scheduling a photographer for group pictures, it was picking out the best photos, making creative layouts, or writing interesting copy. Altogether, this staff worked to make this year's yearbook one of the best.

Editors: Stephanie Pfaff and Marion Pecus, Calumet's 1987 editors, were in charge of organizing and editing this year's annual. They assigned section editors and their groups, and basically kept their eyes on everyone. They also designed the cover and division pages, completed layouts for the annual's opening section, and planned Calumet's contents page-by-page. The pair began putting in time as early as the summer and spent many weekends completing deadlines. Although the stress and strain often led to disagreements, the satisfaction of having completed a challenging job efficiently and creatively made it worth, well, most of the while.

Organizations and Faculty: This group was in charge of putting together the club pictures and the staff section. Faculty saw a comeback of more information about the teachers and the introduction of the Teacher Standouts section. The five had an exciting time getting all the clubs together for group shots. The best time for the section was when the members finally learned to work together, but it all ended too soon. Four of the five graduate this year, but they wish all the best to next year's staff. Section Editor: Alicia Hernandez

Underclass: This year's members tried to make the section as different as possible. They used little Chieftain figures, requested poetry from underclassmen, and last, but not least, made all the underclass pictures the same size. They hope you enjoy the pictures of you and your friends as the years go by. Section Editor: Olga Benitez

Student Life: Creativity and originality! The Student Life section kept these things in mind while putting together some of the most exciting pages that Clairemont has seen in a long time. Some new additions to the section were news highlights, television and movie favorites, the music of 86-87 and special CHS events. The staff is very proud of their accomplishment and hope the feeling will continue in the years to come. Section Editor: Alissa Gabriel

Top row: Mr. Moon (Advisor), Alissa Gabriel, Stephanie Gaebler, Grace Burreece, Angelica Arellano, Lori Parker, Kelly Jones, Tracey Politri, Rosalba Parra, Yolanda Jaquez, Mai Do, Jose Rodriguez, Olga Benitez, George Morgan.  
Bottom row: Laurie Maldonado, April Harrelson, Loan Nguyen, Phuong Nguyen, Truc-Khanh Nguyen, Lynda Altman, Marion Pecus, Roxanne Ruzic, Stephanie Pfaff, Alicia Hernandez, Keron Jennings, Robin Callaway, Ana Camacho.

Senior Class Section: The Senior Section was very excited this year about the full color pictures. They worked well together as a group to make this annual stand out from the rest. So enjoy this section Seniors! The Seniors on the staff hope you'll look back and remember 1987 with fond memories. Good Luck Class of '87! Section Editor: Grace Burreece.

Norman Moon (Advisor): Mr. Moon oversees the work of the whole Calumet Staff. He helps keep the class on track and assists everyone as they put together the yearbook. First and foremost an art teacher, Mr. Moon's creative expertise ensures that the annual ends up looking great. It's been a fabulous first year and undoubtedly the future will be even better due to his new found experience with the Calumet Organization.

Sports: This section spends most of their time out on the field where all the action is. Interviewing coaches and players gives them an inside look at the teams. Each member of the group puts extra time into working with each coach and the actual layouts. The sports section is a group effort. No one member could do it alone. They would like to express appreciation to everyone who helped make their work a little easier: coaches, photographers and the players themselves. With their help, it all came together. Section Editor: Stephanie Gaebler

# Varsity Cheerleading

Co-Captain Sara Cooper

Captain Julie Poukkula

The Varsity Squad this year introduces our first male cheerleader since 1968, Marcus Noble. Along with second year captain Julie Poukkula, the basically new squad showed their enthusiasm through various sporting events and pep rallies. They also spent time this summer at U.S.A. Cheerleading Camp in U.C. Irvine, and promoted spirit during the Special Olympics at Sea World. Special recognition should be given to Sara Cooper, Julie Poukkula, and Runa Saito, all of whom represented CHS for their entire three years at Clairemont. Congrats on a super job!

With all newcomers, except Captain Onica Cole returning from last year, the Junior Varsity Squad showed great spirit and enthusiasm. Like the Varsity Cheerleaders, the JV Squad participated for a week this summer with N.S.A. Cheerleading Camp at U.C.S.D. There they learned new cheers and competed with other schools. Their liveliness this year was appreciated by Clairemont's teams as well as fans. Thanks for a great year!

## Chorus and Photography Club

The 1986-'87 Chorus sang its way into many hearts during the year, reaching new heights under the guidance of Keith Galasso.

The Chorus occasionally enters competitions, and often performs at events, i.e. parades. At Christmas they went caroling around the school and at the business offices of Sea World.

"It's a lot of hard work, but the fun and satisfaction are worth it," says one melodic alto. "Chorus is a great experience," claims another earnest bass.

Middle row: (Left to Right) Kim Thien Do, Angela Fortier, Sandra Preciado, Simone Thomas, Annelle Miskowiez, Jeanne Washington. Pictured here is the photography club. Betty Olson and Ilaria Krejer "shutter" when they think of the many times they've been caught on film. "Photo" Joe, always prominent on campus, takes pictures for The Arrow, and Bart helped out the Calumet staff by supplying a few of his pictures. This photo was, of course, taken by the members of the club. Can't you tell?

# Drama Club

From November 19 through the 22, the Clairemont Players presented "The Diary of Anne Frank," based on the novel of the same name. Performed on the newly constructed stage in Clairemont's "Little Theatre" (a remodeled room 501), it was a great success. It all came together thanks to a fantastic cast, directors Paula Duris and James Earnest, and a group of hard-working students who worked behind the scenes. They included Rusty Orr, Theresa Ellis, Tony Orr, Kevin Mosher, Angie Petitt, and Kittrece Rollison.

# Academic Decathlon Team

On Saturday, November 15, students from 45 schools from all over San Diego competed in the fourth annual Academic Decathlon. Each team consisted of three A students, three B students, and three C students who spent the entire day taking tests in such subjects as economics, fine arts, literature, mathematics and science. Students also wrote a timed essay, gave speeches and interviews, and competed in the group "Super Quiz." Though only four members from Clairemont's team attended, they put forth a valiant effort. In fact, Laura Wright walked away with the top essay in the whole competition, garnering 999 points out of a possible 1000. The team consisted of Todd Carpenter, Keri Jurkoic, Roxanne Ruzic, and Laura Wright, and were coached by Ilaria Krejer, Betty Olson, and Rob Driscoll.

1. Welcome to the Academic Decathlon!
2. Coaches take a break between events.
3. Mrs. Krejer gives Todd some helpful advice.
4. Laura sports her medal for the number one essay.
5. Roxanne gets a point for Clairemont in the "Super Quiz."

The Academic Team, coached by Betty Olson and Ilaria Krejer, competes like any sports team. Members attend weekly meets in which they rally to answer the most questions in a given time limit. The competition works much like the college bowls of the 1950's, as schools all over San Diego battle each week at Freshmen, Junior Varsity and Varsity levels. At the end of the year, there are playoffs for the school with the most wins. Though our school doesn't always come out on top, the meets are a whole lot of fun for both the players and the audience.

# German and Russian Club

The German Club, led by "Frau" Krejer, is for students who want to learn more about the German culture, language, and lifestyle. Most of the students involved in the club do take German here at Clairemont. Exceptional students take the German Exam, and everyone gets to sing songs and participate in varied German activities.

Bottom: Adam Siutts, Troy Popp, Joe Ferreira, Manuel Gomez, Marshall Bushfield, John Branch, Nicole Utsler, Frau Krejer (advisor).

Another Language club led by the multilingual Mrs. Krejer is the Russian Club. Group events include the semi-annual festival at a Greek Orthodox Church, trips to Balboa Park to see Russian icons, excursions to Russian restaurants, and trips to musical events, such as the Nutcracker Suite. Since the Soviets are of major interest to people of the United States, group members seek to understand not only the complicated Russian language, but a diverse culture as well.

A fun club to join at Clairemont is the Italian Club. The language class itself is fast paced, but all club members, whether they take Italian or not, enjoy the benefits of finding out about Italy. And trips to Italian restaurants are always a treat!

Japanese Club, (standing): Bart Daniel, Claudia Copeland, Toshiko Hasegawa, (consultant), Chris Malstead, Cynthia Ruzic, Kevin Murphy. (sitting): Damon Schrosk, Roxanne Ruzic, Renee Lasky, Shea McComb.

Still another unique club at Clairemont is the Japanese Club. Some members are enrolled in first or second year Japanese, while others just learn about the Japanese themselves. Sushi, rice, and chopsticks are avid members of this organization as well.

# French and Spanish Club

Under the nurturing hand of native Frenchwoman Madame Marlene Anton, the French club found a new niche in CHS hearts. The petite club enjoyed haute cuisine and the viewing of French films. Member Angelica Arellano claims, "It's a lot of fun, once you get to do activities. We wish more people would show up for meetings and get involved." The French club is open to all students, even those who don't know the language but want to get to know more about the country, people, and customs.

The Spanish club was headed this year by Maria Lancaster and Arcilia Tauber. The club welcomed not only native speakers, but beginning students as well. Those involved did many fun things, such as seeing Spanish movies, eating fine Mexican cuisine, and viewing pictures of the beautiful country of Spain.

# CSF and Astronomy

Betty Olson headed this year's C.S.F. (California Scholarship Federation), a club dedicated to the academic achievers of CHS. The club sponsors welcoming teas and pizza parties, and concluded the year with a trip to Disneyland where a great time was had by all. "It's a really great opportunity for people who have been working hard academically to relax and have fun," remarks senior, Phuong Nguyen.

Astronomy reached for the stars this year, under the heavenly guidance of Gary Blume. Clairemont High is proud of its well-equipped observatory, which was restored to working capacity during 1985. Clairemont High School is the only San Diego County High School with an observatory on its campus, and it was finished just in time to view the elusive Halley's Comet. Students this year, more than ever before, really turned their eyes to the heavens.

# Seminar Club

Seminar is an accelerated program for academically talented students. The nearly thirty members meet weekly under the guidance of Ilaria Krejer, Betty Olson, and Pam Ramsey to listen to and talk with guest speakers, to discuss topics of common interest, and to give their own seminars. Seminar students are known for their creativity and off-the-wall ideas and customs, which are openly expressed in room 308.

Sharman Farnes is in her second year as advisor of Model United Nations (M.U.N.). It is a program in which students research and then represent countries in conferences not too different from those of the real United Nations. By studying diverse topics, delegates seek to alleviate world problems and often discover how difficult it is to keep the peace (even amongst themselves). Through exploration of varied cultures and values, students learn to look at the world more objectively and gain a better understanding of politics, as well. Clairemont also runs the Junior Model United Nations, a similar conference for junior high schools. Just completing its 10th session, J.M.U.N. was the first of its kind in the nation.

The Band members played at all the football games away from home, and also provided spirit at our pep rallies. The musicians were ably directed by Mr. Gallaso, and helped promote spirit among all Chieftains. In December, their musical ability was tested at the La Jolla Christmas Parade where they put on an excellent performance.

The Chief's '86 season was a disappointing one for both the players and coaches. Plagued by injuries to senior quarterback Joe Fernandes and junior fullback Chris Box the team got off to a slow start but gained momentum and improved every week. This team was noted for its hard nosed play and was feared and respected by their opponents. Senior standouts this year were: Brian Gibson, Earnest McBride, Ken Pucillo, Robert Chouinard, Rudy Neri, John Wineski, Brian Despres, Zane Williams, and John Steineman.

## JV Football

This year's J.V. football team was directed by quarterback Sergio Sandoval. With the help from receivers and backs, such as Manuel Flores, Lowell Ellis, and Razor Porter, the offense learned the meaning of team work. The defense was led by Sean Clark and Ulisses Hernandez, who helped make quarterback sacks, fumble recoveries, and interceptions. Coach Musial, commented, "This is a very enthusiastic and dedicated group, if they stick together and keep working hard, they should be able to put up more wins in the future. I enjoyed working with this great group of players."

# Cross-Country

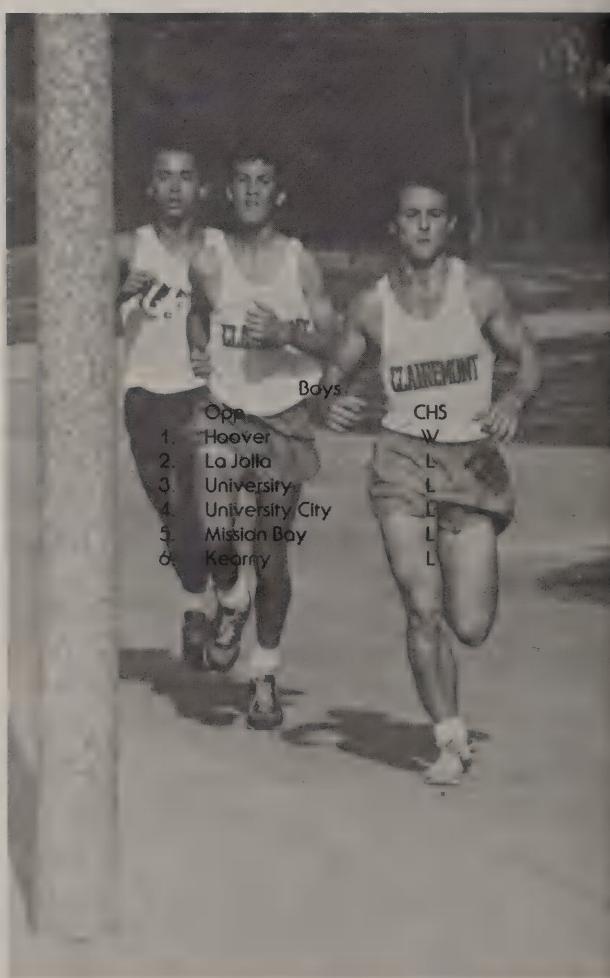

The Chieftain Cross-Country team had a lot of spirit this year, but struggled in their tough league. They had a chance to participate in the South Bay Pepsi Invitational, Mt. Carmel Invitational, and the Southern California Invitational. We congratulate the boys' cross-country team and Iris Gonzalez for going to the CIF finals. Unfortunately, they didn't place, however, with several strong underclassmen runners rounding out the team, Clairemont can look forward to a brighter season next year.

Girls' tennis team is back! With the help of Coach McMillian, our new tennis team is on the move to meet next years goals. With sincere effort and a lot of practice, they showed promise for the upcoming years. Although the team didn't do as well as expected, they are truly dedicated players. Since all the team members are underclassmen, there is a better chance to improve, and maybe even C.I.F.

# Varsity Volleyball

FUN! COMPETITIVE! AGGRESSIVE! These words describe this year's volleyball season. The girls not only had fun, but also improved their skills considerably. "We learned a lot of new skills and as a result, became a very competitive team," said team captain, Senior Connie Roth. One of their best matches was against Mission Bay High School. The girls played a total of five games, defeating the Bucs three games to two. "We never gave up, we fought until the end!" said Senior Tonya May. "The team was consistent in the effort they put into each game. Seniors Connie Roth and Sandie Cupit were a very important part of the team," commented Coach Miller. Sandie Cupit was voted Most Valuable Player of the season. (Congratulations Sandie!).

"Although most of the varsity players are graduating this year, next year's team looks very promising," said Senior Stella Simone. The varsity returning players for next year are Juniors Agueda Grajeda, who has a great serve, and Michelle (Shelly) Miller, who by the way, has a killer spike! Congratulations to all the graduating Seniors! We look forward to a great season next year.

## J.V. Volleyball

Our J.V. Volleyball team played exceptionally well over the 1986-1987 season. The team has greatly improved over the last few years. They proved to be rough competition during their U.C. match which went into overscore. Beating Hoover by a landslide gave us all high hopes. First-year player, Holly Nichols, was a great boost to the team, as well as many outstanding new freshmen. The improvement in the team shows they are on their way to an even better season next year.

The '86-'87 Varsity basketball season was a terrific one, finishing second in the League with a 16-8 position — that's more wins than the last five years combined! Senior Vic Baer and sophomore Ray McDavid made the Western all league first team. The Chiefs won the Torrey Pines tournament and were runners up in the Kiwanis tournament. Some of next years returning players will include: Ray McDavid, Lamont Jackson, and Dave Koonin.

This year the Junior Varsity Girls' Basketball team displayed a super attitude. The Junior Varsity team had six wins and two losses throughout the season. They also placed fourth in the Orange Glen tournament. Even with their lack of experience, they greatly improved during the season. When asked how he felt about the team Coach Cravens enthused, "I had a great time working with the team!" The players are looking forward to a great season in '88.

The Chiefs did it again! This year's Varsity Wrestling team took the C.I.F. title for the second year in a row. The team won every one of their league matches, and placed first in the Carlsbad, Mira Mesa, and El Cajon Tournaments. We are specially proud of Mario Cole for making it to the State Championship (held in Fresno, CA). Although Eric Rozsa, Brian Despres, and Barry McKnight are graduating this year and will be sorely missed by the squad, the Chiefs can expect a great season next year. The team work and dedication of all our wrestlers proved to be the key to the success of the season.

## Boy's Tennis

Tennis fans are eager for the season to begin — with good reason. A great deal of the talent that led the team through a successful season last year is returning. Sophomore Kerry Safdie, the Western League singles champion last year, hopes to retain his title this season. Another sophomore with exceptional talent is Peter Morawiecky who had a winning 15-2 record last year. This should be a memorable season due to the quality coaching of Coach Lee, the talent of the two Sophomore standouts, and the experience of the returning players.

## Girl's Swimming

This year, many swimmers are returning to what looks like a promising season thanks to the excellent coaching of Coach Aiken, the strong talent of our seniors, and the remarkable prowess of experienced juniors Mary Lou Welsh and America Morris. The players are very eager to begin and end the season with a splash. Although a few team members are graduating, most of the team's hot competitors will be returning next year, and another great season is assured.

Back row: Coach Aiken, Steffanie Mount, Renee Lasky, Cynthia Ruzic, Kari Jurkoic, Jill Flores, April Harleson, Heather Mueller, Leslie Larranga, Arpana Joshi, Archana Bhasin. Front row: Celestine Sarvis, America Morris, Elvia Van Es, Tracy Brobank, Julie Poukkula, Christy Thrasher, Carrie Buckman, Cynthia Sullivan. Not shown: Mary Lou Welsh, Shanda Magee, Alissa Gabriel.

# Administrators

Many times we overlook the fact that without our administration, Clairemont High would not be the school that it is. The administration not only assists the students in achieving a quality education, they are also responsible for running the entire school, which is an enormous job. Our principal of four years, Mr. Wendell McFadden, continues to make certain that Clairemont remains the smoothly run institution it has been. Working along with Mr. McFadden, is girls vice-principal Mrs. Margaret Dreher and our new boys vice-principal Mr. Schroeder who is new to the Chieftain scene, he fits right in with the other dedicated staff members. Together, these special people work to coordinate registration, the master schedule, athletics, and graduation. Clairemont's students thank you for a job well done!!!

Margaret Dreher

Counselor — Virginia Eves

Along with the administration, our counselors work to put us into the classes we need and help us get the required credits. This year's counseling staff is headed by Ms. Virginia Eves along with Ms. Sylvia Felan-Gonzales and our new Chieftain counselor Ms. Gerry McGee.

They make sure each student is in the right class and take care of any problems a student may have. Not only do our counselors continue to show that they care about the students, they also show their Chieftain spirit by dressing in school colors, and chaperoning dances. For all this we thank both our administration and counselors for always being there.

# SUPPORTIVE STAFF

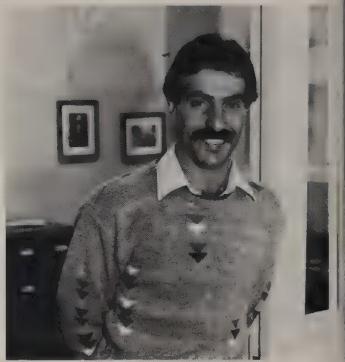

Paul Sanford  
Career Counselor

Micki Geck  
Rehab. Counselor

Tom Weber  
Career Technician

George Pantano  
Social Concerns

Helping in every way possible, our supportive staff aided Clairemont students in many ways this year.

In the career center Mr. Weber, Mr. Sanford and Mrs. Geck provided help for students who needed assistance in finding the right career. Work experience, ROTC, speakers, tutors, assistance in filling out financial aid forms and other college paper work were just some of the things offered at the Career Center.

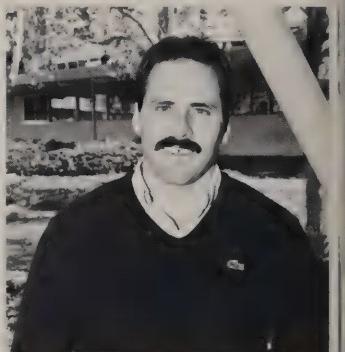

Roaming the halls were grounds supervisors Larry Gustafson and Carl Campbell. They helped keep problems under control and students in line. They also assisted at the school dances by keeping them trouble free.

In the library, Mrs. Labertew provided the students with all their needed text books. This year a bar code was placed on all books in order to comply with the new computer system. This system lists all books in the students possession and aids in the process of location of overdue books.

Dennis Reagan, the audio-visual technician, provided endless time ordering educational video cassettes and films, renting out movie cameras and televisions, and repairing anything that broke down.

The Office Staff, which assists in running Clairemont High, is a critical source of our school's efficiency. Gloria Barritt, our secretary, takes care of appointments and is always available for questions concerning the administration, faculty, and anything else pertaining to CHS. Fusa Shimizu, Clairemont's registrar, supplies transcripts, and keeps a record of students' grades and rank. Jill Huff runs our busy switchboard, and Diane Hobbs, the school nurse, cares for us physically as well as mentally. CHS students not only thank these members, but all of the staff for their endless time and help.

# AIDES

Brenda Anthony

Robert Driscoll

Valerie Flynn

Jan Greenwood

Despite all the extra time teachers put in, they often aren't able to get everything done. This is where teacher aides come on to the scene. They help out teachers by grading homework and tests, keeping track of grades, typing, and making up worksheets. By doing all of this, a great deal of work is taken off the teachers' hands. The A.V.I.D. aides are best known as tutors. They help students with their homework assignments, term papers, and other schoolwork. Each aide has a different reason for taking on such a job. Some wish to be teachers in the future and are working to gain experience. Others are students working their way through college and being a teacher's aide is a way of paying for their education. Without these dedicated aides, our teachers here at Clairemont High would be overwhelmed by the tasks that come with teaching.

## Cafeteria Staff and Custodians

Gil Bien  
16

The cafeteria staff works each day to make sure our school is well-fed. The food sold on campus at lunch and in between classes is more convenient and less expensive than the off-campus options. Thanks to the cafeteria staff's hard work, we always have the opportunity for variety in our meals.

Cafeteria staff (Left to Right): Agnes Stanoling, Eiko Sussilley, Caroline Rios, Irene Axton (manager), Ruth Sterrett, Rick Bowkre, Jessie Moore, Gil Bien, Aurora Lopez.

Head custodian, Tony Rodriguez.

Many thanks to all those who help keep our school clean.

# Teacher Standouts

This section recognizes the outstanding and unique teachers here at Clairemont. Most of the school participated in a survey through which the teachers on the following pages were selected. In a profession without enough recognition, hopefully all the teachers at Clairemont are sufficiently recognized as the molders and shapers of our futures.

# TEACHER OF THE YEAR:

## Russ Cravens

If you've got a problem, Russ Cravens may be able to help. The rugged 6'4" teacher is always there to help his students, as may be seen in his curriculum, in particular, the Dynamics of Peer Counseling.

He enjoys athletics, especially running, and he likes to spend time outdoors fishing and hunting.

Of course he also likes teaching, especially subjects such as psychology, history and athletics. His present career will remain an integral part of his life for a long time to come.

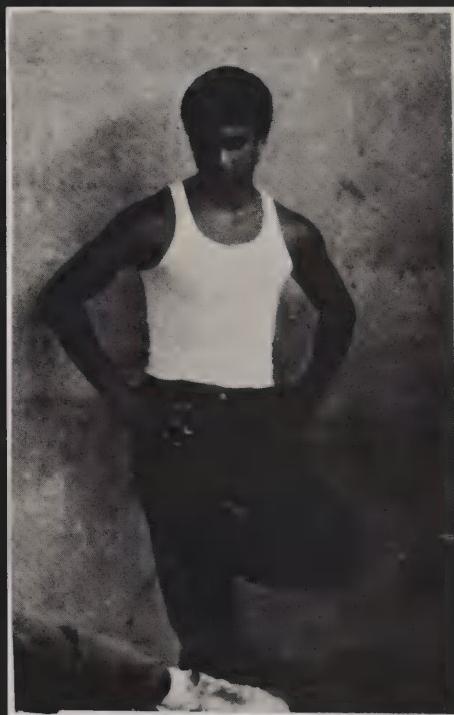

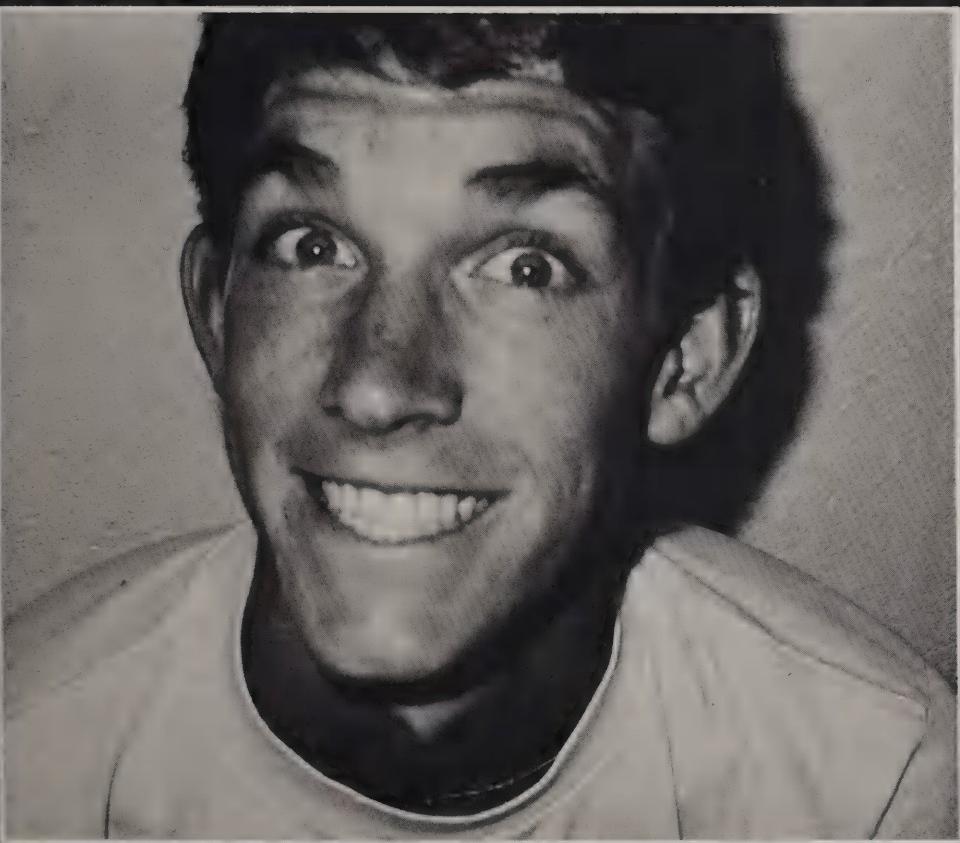

He really feels for his students and likes to see them changing and growing. This caring attitude is part of what prompted the students to rank him as their favorite teacher.

His advice to students? "Do your best — be flexible."

# SENIOR STANDOUTS

Do you know these people?

Fish out of water.

"E" ticket ride at Kmart!

"Don't! . . . Stop! . . . Don't . . . Stop . . . Don't, Stop . . . Don't Stop."

Hungry Brian?

"Pardon me, Would you happen to have any Grey Poupon?"

Voted most likely not to be in class, and she never was, except for I.D.

"Like this?"

### MOST INNOCENT

Eddie Padilla and Lynda Altman were voted by the Senior Class as this year's "Most Innocent" students. This picture is worth a 1000 words.

### BIGGEST FLIRT

Brian Gibson and Runa Saito are '87's biggest flirts. We caught these two talking in the parking lot. Brian didn't hesitate when asked to take the garter off of Runa's leg. What flirts!

### MOST ATHLETIC

Eric Rozsa, CHS's wrestling star and Sandie Cupit, CHS's basketball star. While they are stars of these specific sports, these are not the only things they excel in. They are quite talented athletically and I don't know what Clairemont High would do without these two.

### MOST LIKELY TO SUCCEED

Todd Carpenter (Tito) and Debie George are very special students. They are two students who know what they want out of life. Both see college in their future and the Class of '87 sees a bright and successful future for them. Their grade point average says it all!

### MOST DEDICATED CHEIFTAIN

Rudy Neri and Claudia Jordan show off some of their enthusiasm and school spirit for us.

### MOST OUTRAGEOUS

Chris Galante and Alissa Gabriel are our most outrageous seniors at Clairemont. "Different" isn't the work for these two. Outrageous says it all.

### NICEST EYES

Mike Giordano and Julie Poukkula give us that eye startling pose.

### COUPLE OF THE YEAR

Garth Klem and Shauna Scheffel were chosen the couple of the year. We caught these two cuddling in the park.

## PART TIME STUDENT

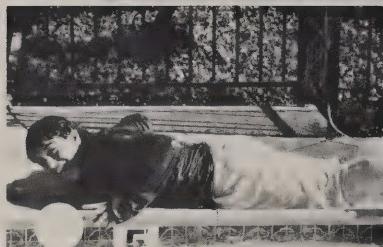

Zane Williams and Carrie Dragman were chosen as the student most likely not to be in class. Zane is just sitting back at the local hangout, Del Taco. Carrie was not in class, so we were unable to take her picture. What else could we expect, she lives up to her title.

## MOST WANTED TO BE IN A JACUZZI WITH

Jerry Drummer and Valerie Goulart were voted as the seniors who were most wanted to be in a jacuzzi with. These two had a good time together splashing around in the water.

## C L A S S

Dan Moran was voted class Clown. This series of pictures show how wild, crazy, and funny he is. He wanted to do something different. And he did!

# CLOWNS

Crysti Thrasher was voted as class clown along with Dan. If Dan Moran could jump into a pool with his clothes on, Crysti should be able to ride on the kiddy rides at Kmart. This is where we found Crysti. She made friends with some of the kids by inviting them to join her on the merry-go-round. It was quite a sight. Judge for yourself.

# PARTY ANIMALS

Brian Depres was our male party animal. He's an All American partygoer and the life of any party. What would '87 do without him?

Vanessa Arroyo is our female party animal. Vanessa's humor is what makes her standout at a party. When we asked her for a picture she quickly put her party hat on and grabbed her horn.

# The New Generation

Another year,  
Another season  
Another problem,  
Another reason.  
Another hope,  
Another fear.  
Another summer,  
Another year.

By Rosa Baiz

Looking back on the years,  
and how time went by,  
Looking back on the years,  
saying many good-byes.

A freshman in school  
it seems long ago.  
Sophomores come next  
how fast the time goes.

Junior year's hard, Senior's  
a breeze,  
But who keeps track of time?  
And it's soon time to leave.

Good-bye to the years, we  
all spent in school.  
Good-bye to the years, we  
should keep like a jewel.

We grow-up so fast  
In such a great pace  
but all we have left  
are memories of the past.

Say good-bye to the years  
we don't want you to go  
there's no stopping the future  
Just wish it goes slow.
